

HOSTS OF: B.F. AVERY & ASSOCIATES SUMMER SHOW
61st Annual Steam Threshers Show
AUGUST 17-19, 2018

Forest Fairgrounds: 45 Jefferson St. Forest, Ontario, Canada <http://steamthresher.com/>

Start Planning Now - Preliminary Information from Gary Duff: Everyone going into Canada and especially coming back to the United States will have to have a passport or if you are a bordering state of Canada you can just have an enhanced driver's license.

It is wise to fill up with fuel before crossing into Canada, gas is very expensive in Canada. It is also wise to do a currency exchange at the border, some places in Canada will not give you the exchange rate. Use a credit card for bigger expenses to get the exchange rate.

****CHANGE FOR AVERY MEMBERS:** If you are going to bring a tractor to the show, this club will require BF Avery & Collectors to buy an exhibitor's pass for \$25.00. (They no longer require us to become a member of the ir club – their membership went up to \$50.00). You will need to furnish an insurance slip or company name and policy numbers for all your tractors (this might also be handy at the border).

Lodging: Gary and Marilyn checked out the Forest Golf Club and Inn (www.golfforest.ca) and decided this would be the show lodging recommendation, because they have a restaurant attached to the motel and will let us have a separate room for our banquet (order off the menu). There are other motels in Sarnia (about 30 miles away).
